## CONTENTS

1	Executive summary .....	1
2	China Structured Cabling Market REview .....	6
2.1	Overall market Enviroment and Development.....	6
2.2	Overall market size in 2009 .....	8
2.3	Market Definitions in GIM Research Report .....	10
3	Copper and fibre cable and Connectivity .....	12
3.1	copper cabling Market .....	12
3.1.1	Copper cabling market size and trends.....	12
3.1.2	Jacket materials for copper cabling.....	14
3.1.3	Copper cabling prices.....	15
3.1.4	Copper connectivity Market.....	17
3.1.5	Copper connectivity market size .....	17
3.2	fibre optic cabling and Conectivity Market.....	20
3.2.1	Fibre cable market size by application and type .....	20
3.2.2	Fibre connectivity.....	22
4	Data centres .....	24
4.1	Key Projects IN the 2008–2009 period .....	28
5	suppliers and market characteristics .....	29
5.1	Market characteristics .....	29
5.2	market share of copper product suppliers .....	31
5.3	Copper cable .....	33
5.4	Copper component market .....	38
6	manufacturers.....	42
6.1	Copper cabling manufacturers.....	42
6.2	Manufacturers of copper components .....	43
6.3	fibre cabling Manufacturers .....	43
6.4	Manufacturers of fibre components .....	45
7	Market forecast and trends.....	48
7.1	The Macro-Economic and Market Environment .....	48
7.1.1	The Chinese economy .....	48
7.1.2	China’s construction market.....	48
7.2	Market Forecast.....	49
7.2.1	Market outlook for different areas of copper products and solutions .....	51
7.2.2	Market outlook for different areas of fibre products.....	53
7.2.3	LAN and DC market forecast, 2007-2012 .....	54
8	supply channels.....	55

9	Contractors .....	60
---	-------------------	----

## LIST OF APPENDICES

<b>Appendix: A</b>	Background information, economics and construction statistics .....	<b>63</b>

Table 2-1	Size of the Chinese cabling market, 2009 .....	8
Table 2-2	Market size by product, 2009.....	10
Table 3-1	Sales of twisted pair cabling by jacket material, 2009 .....	15
Table 3-2	Typical manufacturer sales prices for copper cables, 2009 .....	16
Table 3-3	Copper connectivity market for LAN and DC structured cabling (US\$ mil.), 2007-2009.....	18
Table 3-4	Copper connectivity market for LAN and DC structured cabling (RMB mil.), 2007-2009....	18
Table 3-5	Fibre cable market by product (US\$ mil.), 2006-2009 .....	21
Table 3-6	Fibre cable market by product (RMB mil.), 2006-2009.....	21
Table 3-7	Multimode fibre cable by type, % by volume in percentage, 2006-2009 .....	21
Table 3-8	Market for fibre connectivity by type (US\$ mil.), 2007-2009 .....	23
Table 3-9	Market for fibre connectivity by type (RMB mil.), 2006-2009.....	23
Table 3-10	Market share for fibre components (% volume of total sales), 2009 .....	23
Table 4-1	Structured cabling sales in the LAN and DC sectors (US\$ mil.), 2007-2009 .....	25
Table 4-2	Structured cabling sales in the LAN and DC sectors (RMB mil.), 2007 – 2009 .....	25
Table 4-3	Structured cabling in LAN and Data Centres, % split, 2007 - 2009.....	25
Table 4-4	Structured cabling sales in the LAN and DC sectors by product type (US\$ mil.), 2009.....	26
Table 4-5	Structured cabling sales in the LAN and DC sectors by product type (RMB mil.), 2009.....	26
Table 5-1	Overview of branded solutions and mix-and-match suppliers .....	30
Table 5-2	Value of sales and market share of copper products by supplier (US\$ mil.), 2009 .....	32
Table 5-3	Copper products sales by supplier (RMB mil.), 2009 .....	33
Table 5-4	Copper cable sales by suppliers (US\$ mil.), and market share in 2009.....	34
Table 5-5	Copper cable sale by supplier (RMB mil.), market share in 2009 .....	35
Table 5-6	Sales by copper cable suppliers of STP, FTP and UTP products (value of sales in US\$ million, excluding OEM sales), 2006-2009.....	36
Table 5-7	Copper component sales by supplier (US\$ mil.), 2009 .....	39
Table 5-8	Copper component sales by supplier (RMB mil.), 2009 .....	40
Table 5-9	Component sales by supplier of shielded/unshielded connectivity products (US\$ million), 2008 and 2009 .....	41
Table 6-1	Major suppliers of fibre cabling to the LAN market, 2009.....	45
Table 6-2	Fibre cabling product sales by supplier (US\$ mil.), 2009 .....	46
